

Warren County Historical Society's

History Camp for Kids 2021

July 12 - 15 | 9am - 12pm

Open to students entering 4th through 8th grades this fall.

“New Discoveries from the Past.”

Campers will learn of the dramatic changes to the WCHS's Harmon Museum over the last year, with its many new exhibits and refurbished existing ones. Heading the list is the [1795 Beedle Cabin](#), which is being reconstructed next to the WCHS's Armstrong Conference Center.

The Beedle Cabin was one of the first cabins constructed in Warren County. In the fall of 1795, it was built by New Jersey-born William Beedle, his five adult children and their families when they established Beedle Station, the first permanent pioneer settlement in Warren County. The station was located 4 mile west of Lebanon.

Besides seeing the new exhibits at the Harmon Museum, campers will also enjoy “historic” guest speakers, and be involved in activities that will open their eyes to the vivid history that surrounds us in southwest Ohio.

Please Note

Due to Covid-19 precautions, we will be ending camp at noon and will **not** be having lunch on site. We will also not be having a field trip day.

Camp Registration Fee: WCHS Members \$40, Non-members \$65

The goal of the Warren County Historical Society's History Camp is to allow students in Warren County a chance to explore in depth a vital aspect of our area's vivid past. The campers achieve this through field trips, guest speakers, multimedia presentations and the utilization of the vast resources of the Warren County History Center.

Since the History Camp is limited to only four days, the exploration of the camp's particular topic is concentrated and intense. Therefore, if a camper causes disruptions, hindering the achievement of the camp's goal, they will be warned that their behavior is unacceptable. If he or she persists in acting inappropriately, the student may be told that they may no longer attend camp, thus allowing the other campers to enjoy the experience of History Camp to its fullest.
